

Braintree Riding Club

Press Release

Sunday 30th August saw a bright dry sunny day for the 2nd Annual Novice Show held by Braintree Riding Club. There were classes for everyone including dressage, ridden showing, in hand showing and jumping.

The show this year was held at Bluegate Hall by kind permission of Mr and Mrs Reed, and with the agreement of Harvey Skelton and his team. Our very grateful thanks are extended to all at the venue who helped us to make it such a successful show.

Like last year, there were over one hundred horses and ponies entered and every one had a great time, from competitors, owners and judges alike.

Special mention must be made of our Sponsors, A M Safety Specialists of Rayne, Braintree, who this year very kindly sponsored the show and ensured that every competitor went home with a lovely commemorative rosette.

New this year was the in hand championship, which was won by Donna Pearce and her lovely young horse West Indy with Sarah Donovan winning the ridden showing and then taking the supreme in show championship, with Donna reserve.

Braintree Riding Club hope to hold their 3rd Annual Show on Sunday 29th August 2010 but this has yet to be confirmed. Details and dates of all the Clubs events can be found on their website, www.braintreeridingclub.co.uk
